	number	*page*
ALBAUM, GERALD *see* PETERSON, ROBERT A		
BAKER, KEN Using geodemographics in market research surveys	1	37
BAKER, KEN; HARRIS, PAUL and O'BRIEN, JOHN Data fusion: an appraisal and experimental evaluation	2	153
BARD, MARY *see* SMITH, DAVID		
BARTRAM, MARY and BARTRAM, PETER Maintaining public acceptance of market research: the way forward	4	611
BARTRAM, PETER *see* BARTRAM, MARY		
BOND, JULIAN R *see* MORGAN, RORY P		
BOWLES, TIM Data collection in the United Kingdom	4	467
BUCK, STEPHAN Single source data – the theory and the practice	4	489
CHAFFIN, WILKIE W An appropriate quantitative measure of intra-family agreement in marketing applications	2	241
COOPER, PETER Comparison between the UK and the US: the qualitative dimension	4	509
CORNISH, PYM Geodemographic sampling in readership surveys	1	45
CORNISH, PYM and DENNY, MIKE Demographics are dead – long live demographics	3	363
DALVI, NITIN *see* STOUT, ROY G		

DENNY, MIKE *see* CORNISH, PYM		
DOMMEYER, CURT J Offering mail survey results in a lift letter	3	399
ESKIN, GERALD Single source data: the US experience	4	501
FRANKEL, MARTIN R Current research practices: general population sampling including geodemographics	4	447
FREEMAN, PAUL Continuous surveys and tracking in the UK	4	551
GOODYEAR, JOHN R The structure of the British market research industry	4	427
HARRIS, PAUL *see* BAKER, KEN		
HEGELSON, JAMES G *see* URSIC, MICHAEL L		
HENDRICKSON, ALAN Fads, fashions and really truly useful (dp) stuff	4	577
HONOMICHL, JACK US research industry structure	4	438
HUMBY, CLIVE R New developments in demographic targeting and the implications of 1991	1	53
JOHNSON, DOUGLAS J Open ended warfare: cybernetic nirvana or information graveyard	3	331
JOHNSON, MAUREEN The application of geodemographics to retailing – meeting the needs of the catchment	1	7
JOYCE, TIMOTHY Guest Editorial Proceedings of the MRS/ARF Research Leaders Seminar	4	425
KAMINS, MICHAEL A The enhancement of response rates to a mail survey through a labelled probe foot-in-the-door approach	2	273*m*

KERIN, ROGER A *see* PETERSON, ROBERT A

LAVENKA, NOEL M The measurement of intrinsic and extrinsic product quality: a magnitude estimation approach 2 213

LEVENTHAL, BARRY *see* SLEIGHT, PETER

LYSAKER, RICHARD L Data collection methods in the US 4 477

MARSH, CATHERINE and O'BRIEN, JOHN Opinion bandwagons in attitudes towards the Common Market 3 295

MITCHELL, DAWN *see* ROTHMAN, JAMES

MORGAN, RORY P and BOND, JULIAN R Methods of artificial intelligence – some applications for market research 3 375

NAPLES, MICHAEL J Public relations for market research: the situation in the United States 4 597

NEAL, WILLIAM D Computing and software in marketing research: the US perspective 4 567

O'BRIEN, JOHN *see* BAKER, KEN

O'BRIEN, JOHN *see* MARSH, CATHERINE

OPENSHAW, STAN Making geodemographics more sophisticated 1 111

PETERSON, ROBERT A; ALBAUM, GERALD and KERIN, ROGER A A note on alternative contact strategies in mail surveys 3 409

ROTHMAN, JAMES Different measures of social grade 1 139*cn*

ROTHMAN, JAMES A personal summary of the MRS/ARF Research Leaders Seminar 4 619

ROTHMAN, JAMES and MITCHELL, DAWN Statisticians can be creative too	4	456
SATOW, KAY The changing state of qualitative research in the United States	4	521
SLEIGHT, PETER and LEVENTHAL, BARRY Applications of geodemographics to research and marketing	1	75
SMITH, DAVID and BARD, MARY Everything you always wanted to know about industrial buyer behaviour, but were afraid to ask – in case it made the research too expensive	3	307
SPIELMAN, HAROLD M Two views of advertising research: US vs UK	4	537
STOUT, ROY G and DALVI, NITIN Improving the effectiveness of multi-country consumer tracking	4	545
TREASURE, JOHN The availability and use of public statistics in the UK	4	581
TURNER, W JOHN Small business data collection by area censusing: a field test of 'saturation surveying' methodology	2	257
URSIC, MICHAEL L and HELGESON, JAMES G Variability in survey questionnaire completion strategies: a protocol analysis	2	225
WEBBER, RICHARD Using multiple data sources to build an area classification system: operational problems encountered by MOSAIC	1	103
WETZEL, JAMES R Marketing research data from the US Census Bureau	4	590
WICKS, ANNE Advertising research – an eclectic view from the UK	4	527
YI, YOUJAE On the evaluation of main effects in multiplicative regression models	1	133*m*
